

FISCAL NOTE

SB 2132 - HB 2194

January 27, 2000

SUMMARY OF BILL: Extends to all cities the authority to increase the number of commissioners on the housing authority from 5 to 7 at the mayors discretion. Current law permits just those cities that have over a 100,000 population according to the 1980 census to increase the number of housing authority commissioners.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - Not Significant/Permissive

To the extent local governments choose to increase the number of housing authority commissioners, they will experience an increase in expenditures for the traveling and other eligible expenses of those additional members. Such an increase is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
